Virginia Sheriffs' Institute Certification Program

Application for two Initial Certification

Updated: 09/12/2017

Completing the Application for Initial Certification

The first step in determining if an applicant is eligible for certification is the careful review of the program guidebook to ensure understanding of the eligibility requirements, the overall certification process, and what will be required on the application.

After reviewing the program guidebook, applicants should follow the steps detailed below to complete the application form.

Once the application is completed, the applicant will know if they have sufficient points to continue with the application process, or will have a clearer understanding of what is needed to earn additional points towards becoming certified.

<u>Note</u>: A minimum total of <u>150 points</u> is required to be eligible for initial certification. Page 3 in the guidebook details the initial certification requirements that must be met.

CATION Questions regarding the certification program and any of the eligibility or certification standards may be submitted to the following email address:

vsicert@virginiasheriffs.org

Supporting Documentation

Degrees or diplomas, certificates of completion, transcripts and other training records must be submitted with completed applications to verify all training and professional development being claimed. Applicants should submit copies of all required documentation. Applicants should not send original documents as all paper applications and documents will be destroyed after they are digitized.

Eligibility

VSA/VSI Membership - Applicants will designate membership status on page 1 of the application.

- All applicants must be members of the Vilgin a Sheriffs' Association (VSA) and must remain a • member throughout their certification period.
- Sheriffs seeking certification must be a member of the Virginia Sheriffs' Institute (VSI) and must • remain a member throughout meir certification period. Deputies seeking certification must be a member of a VSI-member sheriff's office and must remain a member throughout their certification period.

Life Experience

A. Fublic Safety Experience - Applicants will determine how many years of service as a full-time sheriff or deputy in Virginia they will claim towards certification. Applicants will check the appropriate box and enter the corresponding points in the designated box on page 1 of the application.

B. Education - Applicants will determine what level of education they will claim towards certification, check the appropriate box, and then enter the corresponding points in the designated box on page 2 of the application. Points in this section are awarded for the highest degree claimed and are not cumulative.

Applicants must submit a copy of the diploma or degree that documents the claimed education points.

Career Development

C. Training - All training to be claimed towards certification must have been completed within the 4 vears preceding submission of an application for certification and must be related to public safety. One point is awarded for each hour of documented public safety-related training.

• Required Training – All sheriffs or deputies applying for certification must have completed a minimum of 8 hours of training within the preceding 4 years in each of the following topics: Leadership, Ethics, Cultural Diversity, Community Policing and Legal/Employment Law.

Applicants should complete an entry for each of the required training courses for which points are claimed, beginning on page 2 of the application.

<u>Total Required Training Points</u> - Applicants should total the required training points in the designated box on page 2 of the application. Applicants are required to have a minimum of 40 points in this section.

 Additional In-Service/Other Training Courses - Applicants will complete an entry for each training course for which points are claimed. As a reminder, basic skills/proficiency training may not be claimed for the certification program. Applicants will document additional training courses on page 4 of the application.

<u>Note</u>: Though additional training is not part of the training requirements, points claimed in this category may be applied to the total 150 points required for certification.

<u>Total Additional In-Service/Other Training Courses Points</u> - Applicants should total the training points in the designated box on page 4 of the application.

Grand Total Training Points - Applicants will total required and additional training in the designated boxes on page 4 of the application. Applicants must have a minimum of <u>40 points</u> in the Training category.

Required Documentation - Applicants must submit copies of all training certificates, DCJS Partial In-Service Credit forms or other training records as verification.

D. <u>Professional Development</u> - Points may be claimed in the following 6 areas of professional development: multi-month and multi-week courses, public safety conferences, the VSA/VSI annual conferences, service as the VSA and/or VS. president, and instruction of public safety training.

All professional development activities being claimed should be relevant to public safety/law enforcement/criminal justice and must have been attended/completed within the 4 years preceding application for certification.

Applicants will complete an entry for all required professional development courses or conferences for which points are to be claimed, beginning on page 4 of the application.

Professional Development Points Total - Applicants should total all points for each type of activity being claimed for professional development in the designated boxes on pages 6 of the application. Applicants must have a minimum of <u>40 points</u> in the Professional Development category.

Required Documentation - Applicants must submit copies of all certificates of attendance or completion, or other records as verification.

<u>Initial Certification Points Total</u> - Applicants will total all professional development points and enter those in the designated box at the bottom of page 6 of the application.

Initial Certification Point Total

If the applicant has met the minimum required totals for each category, and has an overall total of **150 points** or more, they may proceed with completing the Application for Initial Certification.
