

VIRGINIA SHERIFFS' INSTITUTE CERTIFICATION PROGRAM

Application for Initial Certification

Updated June 2021

The Virginia Sheriffs' Institute Certification Program recognizes the professional development of Virginia's sheriffs and deputies.

Completing the Application for Initial Certification

The first step in determining if an applicant is eligible for certification is the careful review of the program guidebook to ensure understanding of the eligibility requirements, the overall certification process, and what is required to apply.

If it is determined that the requirements are met, applicants should compile applicable supporting documentation as detailed in the guidebook and follow the guidance below to complete the application form.

Questions regarding the certification program and any of the eligibility or certification standards may be submitted to vsicert@virginiasheriffs.org.

Section 1. Applicant Information

In this section, applicants provide contact information as requested on the form and indicate current position as a Sheriff or a Deputy.

Section 2. Life Experience

A. Public Safety Experience

In the first part of this section, applicants list current full-time employment with a Virginia sheriff's office, including rank/title, years of service and address. If applicable, applicants list details of previous full-time employment with other Virginia sheriff's offices, including previous rank/title, years of service and address. Applicants total the years of service employed full-time with a Virginia sheriff's office and enter the total years in the designated box on page 1 of the application. In the second part of this section, applicants check the box that corresponds with the total years of service being claimed and enter the point value associated with their total years of service in the designated box on the form.

B. Education

In the first part of this section, applicants check the box beside the highest level of education they choose to claim and list the corresponding details as requested on the form. Applicants do not need to list entire educational history. In the second part of this section, applicants check the box that corresponds with the highest level of education being claimed and enter the associated point value. Points in this section correspond to the highest degree claimed and are not cumulative.

Section 3. Career Development

C. Training

In the first part of this section, applicants list details about the specific training courses/activities they choose to claim for each Required Training topic (Leadership, Ethics, Cultural Diversity, Community Policing and Legal/Employment Law) in the designated parts of the form. Applicants complete a separate entry for each individual training course/activity for which points are being claimed. For each entry, applicants indicate the total length of the course/activity in hours, the hours being claimed for the Required Training topic, and the corresponding point value, with one hour of a training course/activity equating to one point. For each Required Training topic, applicants add the points claimed for each training course/activity and enter the total sum in the designated box on the form. Once the total point sums of each Required Training topic have been calculated and entered, applicants record those five totals in the Summary of Total Required Training Points box.

In the second part of this section, applicants list details about the specific training courses/activities they choose to claim as Additional Training toward the overall point requirement for VSI Certification.

Applicants complete a separate entry for each individual training course/activity for which points are being claimed. Applicants do not need to list entire training history. For each entry, applicants indicate the total length of the course/activity in hours, the hours being claimed, and the corresponding point value with one hour of a training course/activity equating to one point. Applicants add the points claimed for each training course/activity and enter the total sum in the designated box on the form.

As a final step for this section, applicants add the total Required Training points and the total Additional Training points and enter the sum in the designated box on the form.

D. Professional Development

In the first part of this section, applicants list details about the Public Safety Courses and Conferences they choose to claim toward the Professional Development point requirement. Applicants complete a separate entry for each individual activity for which points are being claimed, and designate the type of activity by checking the corresponding box. The type of activity dictates the point value for each specific entry, as detailed in the guidebook and on the application form. Applicants add the points claimed for each Public Safety Course and Conference activity and enter the total sum in the designated box on the form.

In the second part of this section, applicants indicate Service as VSA and/or VSI president, if applicable, listing each term being claimed on a separate line. Applicants add the points claimed for each presidential term and enter the total sum in the designated box on the form.

In the third part of this section, applicants list details about the Instruction of Public Safety Training courses they choose to claim toward the Professional Development point requirement. Applicants complete a separate entry for each individual instructional activity for which points are being claimed. For each entry, applicants indicate the total hours of instruction, the hours being claimed, and the corresponding point value, with one instructional hour equating to one point. Applicants add the points claimed for each instructional activity and enter the total sum in the designated box on the form.

As a final step for this section, applicants add the total Public Safety Course and Conference points, total Service as VSA and/or VSI President points, and total Instruction of Public Safety Training points and enter the sum in the designated box on the form.

Section 4. Cumulative Life Experience & Career Development Points

In this section, applicants enter the total points recorded in each of the following parts of the application:

- A. Public Safety Experience
- B. Education
- C. Training
- D. Professional Development

As a final step for this section, applicants add the four totals and enter the sum in the designated box on the form. This cumulative total must be equal to or greater than the minimum required points for initial certification.

Section 5. Applicant Affirmation

In this section, applicants affirm the completion of each required part of the VSI Certification Program process and sign the application. Applicants who are deputies must also obtain the signature of their sheriff in this section.

Compiling Supporting Documentation

A key element of the VSI Certification program is the documentation applicants submit verifying their education, training, and professional development accomplishments claimed toward certification. Applicants must submit documentation demonstrating the completion of the degree, training course,

conference attended, or other professional development activity included in the application. Documentation should verify attendance, as well as subject matter, if appropriate. Acceptable forms of documentation required for each section are detailed accordingly throughout the Program Guidebook.

In addition, applicants must complete a Supporting Documentation Certification Form for the degree being claimed, and again for each training program or professional development activity included in the application. A copy of this form is included at the end of the application.

Completing the Supporting Documentation Certification Forms

In the first section of this form, applicants select a section of the application – Education, Training, or Professional Development – for which they are organizing documentation. If the applicant selects the Education section, the applicant then indicates the degree they have listed on their application and moves to the second section. If the applicant selects the Training and/or Professional Development section, the applicant indicates the event title and date and moves to the second section.

In the second section of this form, applicants list the type of documentation they are providing to verify their education or career development activity. In the event that the applicant cannot provide complete or sufficient documentation to support the degree or career development activity, the applicant writes a personal statement to supplement the supporting documentation.

As a final step, the applicant signs each form to affirm that the documentation provided for the degree and for each training course or professional development activity is truthful, accurate, and complete.

Submitting the Payment & Application for Initial Certification

Fees & Payment

A non-refundable administration fee is required at the time of application for initial certification or recertification. Fees vary by application type, based on membership status in VSA and VSI, as shown below.

Fees	
<i>Type of Application</i>	<i>Fee</i>
Initial Certification (VSA and VSI member)	\$250
Initial Certification (non-VSA and/or non-VSI member)	\$500
Recertification (VSA and VSI member)	\$150
Recertification (non-VSA and/or non-VSI member)	\$300

Applicants are considered VSA and VSI members if membership is obtained by March 31st of the calendar year in which the application is submitted. For example, to apply at the member rate during the application window of October 1 – December 31, 2018, the applicant must be a member of both VSI and VSA by March 31, 2018.

Payments are accepted only during the application submission period (October 1 – December 31). Payments may be made by credit card at the VSI Certification website (<http://certification.vasheriffsinstitute.org/>) or by check, made payable to the Virginia Sheriffs’ Institute and mailed with the application to:

VCPI
Attn: VSI Certification

413 Stuart Circle, Suite 200
Richmond, VA 23220

Separate payments are required for each application submitted. No cash or phone payments will be accepted.

Application Submission

Applications for certification or recertification are accepted October 1 through December 31 every year. Completed applications and supporting documentation may be submitted via email or mail to VSI's program partner VCPI.

Email: vsicert@virginiasheriffs.org
